INDEX TO VOL. XLII.

A.

Assaying Furnace, Gas-Heated 41
Address of President, New England Association of Gas Engineers 117
Address of Gen. Andrew Hickenlooper to the Members of the Ohio Gas Association 149
Address of President, Western Gas Association 283

B.

*Boardman Hydraulic Main, the 59
British Gas Undertakings 67
Boilers, the Cleaning of 121
Black Lead Paint, a New 147
Barometrical Pressure, Effect of on Candle Power of Gas 201
*Box and Waller Washer-Scrubber, the 263
*Bower Recuperative Burner, the 289

C.

Capital to Output, the Relation of, by T. D. Gilbert 6
Correspondence, Special English 11, 64, 119, 179, 236, 290
Coal Gas, on the Use of, by H. Dixon, M.A., a Series of Three Lectures 33, 61, 88
Coal Tar Colors 37
Condensing Sulphuric Acid Gas 39
Contract Awarded 41
Calling the Roll, New England Association 116
Coal Gas, Lecture on, by Prof. Thorpe 118
Compressed Oil Gas Illumination 121
Carbonic Oxide, the Venenose Nature of 148
Coal Gas, Enriching Candle Power of with Naphtha 202
Carbon Deposit, Its Formation and Removal under Different Heating Conditions 227
Carbonic Acid and Iron and Lime Purification 228
Clogging of Burner Tips in Houses Near "Dead" Ending Mains 255
Coke—How Much is Lost as Screenings, after being Crushed; and What Advance Must be Added to Price of Crushed Coke to Make Its Sale Equally Profitable with that of the Coarse Product? by J. Light 234
Coke Crusher, Which is the Best? 256
Compensation of Secretary and Treasurer, New England Association 257
Calling the Roll, Western Gas Association 283
Carbonic Acid, Its Effect on the Illuminating Power of Coal Gas, by C. J. R. Humphreys 288

CORRESPONDENCE—

Wise Body of Municipal Councilors, a 14
Utilization of Waste Heat of Gas Works 70
"Knights of Labor" Speak Their Mind 210
Suggesting a Remedy 321

D.

Deceased Members, American Gas Light Association 3
Dividends Paid by San Francisco Gas and Electric Light Companies in 1884 95
Discussing the President's Address, New England Association of Gas Engineers 143
Dangers of Water Gas, the 177
Disease, How it is Spread 263
Death of M. Servier 310

E.

Experience in "Competition," the Teaching of, by Antiquus 10
Edison Electric Illuminating Company, Annual Report of the 91
Electric Safety Lamps, Improvement in 95
English Gas Stocks and other Investments 142
Election of Officers, New England Association 147
Electric Lighting, Advances Made in During Past Year 200
Election of Officers, Western Association 314

EDITORIALS—
